

Chicago Importing

Chicago Importing specializes in the importing of delicious Western European Specialty foods. Established in 1935, Chicago Importing contacted LED Rite when they were looking to bring their lighting infrastructure into the 21st century. We provided them with **43** of our **150 Watt LED Highbay Fixtures** to replace their old **400 Watt HPS fixtures** and **40** of our **42 Watt LED Troffer Fixtures** to replace their old **164 Watt T12 fixtures**. Their upgrade resulted in **109,100 kWh** of energy being reduced annually which translates to **\$6,420** saved every year.
