

Girl Scouts of Northern Illinois - Elgin

Girl Scout of Northern Illinois provides opportunities for young women to broaden their horizons through learning new and valuable skills, as well as, build lasting relationships in a community of like-minded peers. They sought out LED Rite when looking to make their brick-and-mortar stores and office spaces. For their location in Elgin, we provided them with 32 of our 40/50 Watt LED Thin Panel Fixtures to replace their existing lighting. Their upgrade resulted in 8,599 kWh of energy being reduced annually which translates to \$1,096 saved every year.
